

TIPS AND TRICKS

- Keep a crowbar in your bedroom.
- Have Fire Extinguishers on hand. Check expiration dates.
- Keep your gas tank no less than 1/2 full at all times.
- Store your documents on a thumb drive that is kept in your “go” bag.
- Put a Fire Extinguisher outside on the sidewalk for anyone to use as needed.
- All residents with ham radios should monitor Incident Command at the LA Battalion 9 simplex frequency 145.525 MHz, PL 110.9.
- All CERT trained residents should follow the LAFD CERT Action Plan. Our nearest Fire Station is number 19, at 12229 Sunset.
- Sign up for BCC emergency alerts and emails.
- If you have a tip for better preparedness, please [email the BCC](#) and we will add it to the website. If the link does not work, email to: info@brentwoodcommunitycouncil.org

There will be more added to this list.
