

## TRAFFIC ADVISORY

### Lane Reduction on Sepulveda Boulevard in Los Angeles Starting on Monday, Aug. 7 through January 2018

#### Project is part of a multi-billion-dollar safety enhancement program

**WHAT:** Starting Monday, Aug. 7 through January 2018, SoCalGas will be conducting pipeline safety work on North Sepulveda Boulevard between Sepulveda Way and Casiano Road in Los Angeles. Northbound and southbound traffic on Sepulveda Boulevard will be reduced to one lane in each direction. Flagmen will be onsite to help with traffic control.

No interruption to natural gas service is anticipated.

Customers may smell the odor of natural gas. Although this is normal when crews are working, SoCalGas encourages anyone who has concerns about the smell of gas to call us from a safe location at 1-800-427-2200. SoCalGas is available 24 hours a day, seven days a week.

**WHERE:** North Sepulveda Boulevard between Sepulveda Way and Casiano Road in Los Angeles, near Interstate 405, Los Angeles, CA, as shown in this [link](#).

**WHEN:** LANE REDUCTION: August 7 through January 2018, Monday - Friday from 9 a.m.-3:30 p.m. and Saturday from 8 a.m. – 6 p.m.

**NOTE:** This effort is part of SoCalGas Pipeline Safety Enhancement Plan (PSEP), a multi-billion-dollar program that tests and updates the natural gas pipeline infrastructure in Southern California. SoCalGas' five-year capital plan includes \$6 billion in infrastructure investments, including approximately \$1.2 billion this year for improvements to distribution, transmission and storage systems and for pipeline safety.

**PUBLIC**

**CONTACT:** Customers with questions or concerns about the construction work may call SoCalGas' Customer Contact Center 24-hours a day, seven-days a week at 800-427-2200. Our top priorities are to work safely and to provide the communities we serve with safe and reliable natural gas service.
